

# PUBLIC MEETING

## PROJECT: The Outdoor Downtown

**PURPOSE:**  
Help shape the future of parks and outdoor spaces in Downtown Denver! Thousands of people have provided input over the last year. Please join us for a community meeting to review preliminary recommendations to achieve these priorities and enhance the Downtown Denver outdoor environment.

**Why should you attend?**  
As part of Mayor Hancock's initiative, Activate Denver's Urban Core, Denver Parks & Recreation and the Downtown Denver Partnership are collaborating to create an innovative Master Plan for Downtown Denver's outdoor spaces- THE OUTDOOR DOWNTOWN. Input from residents, employees, business owners, visitors and students will help guide the development of this Master Plan. This 20-year plan will focus on investment in Downtown parks and public spaces to enhance the quality of life, and create a sustainable, vibrant downtown that is economically healthy and growing.
